

2024 IEEE International Conference on
Cyborg and Bionic Systems (CBS 2024)

Exhibitors

Company Exhibitors

1. BMF Japan Inc.
2. MicroSupport Co., Ltd.

Academic Exhibitors

1. The Aichi Center of Knowledge Foundation's Priority Research Project IV (SDGs Project "Research and Development of Frailty Prevention and Recovery Support Systems Using Multisensory ICT")
2. The Aichi Center of Knowledge Foundation's Priority Research Project IV (SDGs Project "Development of Single-cell Sorting Device capable of establishing cancer organoids from CTCs")
3. Nano-fabrication, Advanced Research Infrastructure for Materials and Nanotechnology (ARIM), Nagoya University, Japan
4. Fukuzawa Laboratory, Nagoya University, Japan
5. Hasegawa Laboratory, Nagoya University, Japan
6. Hata Laboratory, Nagoya University, Japan
7. Toku Laboratory, Nagoya University, Japan
8. Hoshino Laboratory, Nagoya University, Japan
9. Umehara Laboratory, Nagoya University, Japan
10. Ohara Laboratory, Meijo University, Japan
